FOR IMMEDIATE RELEASE

October 20, 2011

## City of East Point Announces Year Round Open Enrollment for the Budget Billing Program Beginning December 5, 2011

(East Point, GA, October 20, 2011) The City of East Point Customer Care Department proudly announces that the Budget Billing Program will now accept enrollment year round beginning December 5, 2011. The City understands that many residents wish that their monthly utility bills would remain around the same amount every month. Our Budget Billing program allows residents to spread the cost of utility bills over the course of an entire year. This plan is only available to residential customers who have been in good standing with the City of East Point and must have a zero "0" balance at the time of sign up. The City is excited to extend Budget Billing to residents and encourages residents to take advantage of this program. Residents seeking more information regarding the program are asked to contact our Customer Care Department at 404.270.7010 or visit [www.eastpointcity.org/customer-care](http://www.eastpointcity.org/customer-care)
