EAST POINT CITY GOVERNMENT-BACKFLOW TESTER DATABASE

This list is provided as a public service and is not an endorsement of any company.

The City of East Point Water Department does not attest to the capabilities of the below listed companies. The State of Georgia requires that any repairs made to a backflow prevention assembly must be performed by a licensed plumber. All backflow prevention assemblies must be tested by a certified tester: (a) upon installation, (b) after any repairs are made to the assembly and (c) annually thereafter. To be added to this list, contact Willie Smith at (404) 270-7194.

COMPANY	PHONE NUMBER	TEST	REPAIR	INSTALLATIONS
A & R Plumbing Co.	(404) 768-5159	X	X	X

TESTER INFORMATION

If you wish to be placed on our Tester list, please send copies of the following:

- **Copy of your current Backflow Certification**
- **Calibration of your testing device**
- **Current business license**
- **Current plumbing state card, if you are a plumbing company or licensed plumber**

Please mail these items OR passing tests to:

City of East Point-Meter Services
2757 East Point Street
East Point, GA 30344
ATTN: Backflow Prevention Division

You may also FAX these items to (404) 270-7222.
