THE PROCESS

Permits that DO NOT Require Plan Submittal

1. Mail in completed applications with all credentials for applicant and payment. (Building permit fees are calculated based on the ‘value of the job.’ Please refer to the Fee Schedule or email permits@eastpointcity.org for assistance. Only Residential Roof permits and Fire / Interior Demo permits have a flat fee of $75.00)

2. Applications are processed on Tuesdays and Thursdays.

3. If the application is complete, all credentials are attached and verified, payment is enclosed and correct, then the application will be processed, and the permit and inspection card will be emailed to the email address listed on the application for the appropriate ‘Permit Holder.’ If no email address is provided, the permit will be put in Standard US Mail. If the application cannot be processed, it will be mailed back to the applicant with details as to why the permit could not be issued.

Permits with Plan Submittals

1. Mail in completed application, 1 digital copy of plans (one pdf file; not multiple files) on flash drive or CD, credentials of applicant and payment. (Please be aware, that for large commercial projects, the reviewers may request that a hard copy of the plans be submitted also.) (Building permit fees are calculated based on ‘value of the job.’ Please refer to the Fee Schedule or email permits@eastpointcity.org for assistance.)

2. Applications are processed on Tuesdays and Thursdays.

3. If the application is complete, all credentials are attached and verified and payment is enclosed and correct, the application will be processed and a confirmation email with the review due date will be emailed to the email address listed on the application. If no email address is provided, the applicant may email permits@eastpointcity.org for a status of submittal after the review due date. Typically, Residential submittals are due after 5 business days from the time of payment and Commercial submittals are due in two weeks from date of payment.
4. After the review due date, the status will be emailed to the applicant. If approved and all credentials have been verified for applicant, the plans will be stamped and the permit, inspection card and stamped drawings will be emailed to the ‘Permit Holder.’ If denied, the comments will be emailed to the applicant after corrections. The applicant can email back revised drawings for another review (if file is small enough), or mail in the updated digital file on a flash drive or CD.

Certificate of Occupancies

1. Mail in completed application and payment of $115.00.
2. Applications are processed on Tuesdays and Thursdays.
3. If the application is complete, all credentials are attached, verified and payment is enclosed and correct, then the application will be processed. A confirmation will be emailed to the applicant using the email address provided on the application. Be sure to provide a contact person's name, number & email.
4. Typically, Residential COs will be processed within 5 business days from the time of payment, if all inspections have been approved; after approval, the Residential CO will be emailed to applicant using email provided on applicant.
5. Commercial CO inspections will have to be coordinated with the Permit Department, the Chief Building Official and the Fire Marshall for approval: please email permits@eastpointcity.org for further details.

Building Inspections

The following procedure will ensure that inspections will be obtained during City closure due to COVID-19. When permit has been obtained inspections can be requested through Planning and Community Development to the Inspections Division via e-mail at inspection@eastpointcity.org. Inspections contact number is 404-270-7025.

1. All Inspection Request must be filled in completely including address and permit number contact information.
2. 48 hours after such request are received and no inspection has been conducted by the Inspections Division of the City of East Point the services of a Georgia Licensed Registered Professional Engineer can be obtained to make inspection.
3. If approved by said Engineer an approval letter containing the Address, Permit number, inspection preformed, date of inspection, and the seal of engineer is required.
4. A copy of the engineer letter must be e-mailed to inspection@eastpointcity.org and the original letter to remain at location to be retrieved by the Inspections Division when regular scheduled work resumes. This includes all inspections starting with the foundation, plumbing slab, electrical slab, building slab, electric rough, plumbing rough, mechanical rough, framing, insulation, plumbing final, electrical final, mechanical final, these inspections shall also include roofs, house wrap & siding, driveway apron, fences, signs, water and sewer connections, t-poles and temp power, and all these inspections that apply to your permit shall be completed before the building final.
Due to COVID-19 affecting normal operations of the Business License Division, the processing of 2020 Renewal Business Licenses has been delayed; however, they are still being processed. We appreciate your patience and cooperation. Below is an outline of the process:
