Business and Occupation Tax Requirements

- Each person engaged in any business, trade, profession or occupation in the City of East Point, Georgia shall first apply for the business tax registration and pay an occupation tax for said business prior to conducting business in the City. Registration shall be displayed in a conspicuous place at the business.

- Business Licenses expire on December 31 of each year.

- The renewal period is from January 1 until March 31.

- License holders that fail to renew on or before March 31 are assessed interest and penalties.

- The occupation tax is calculated based on the number of employees (including business owner), annual gross receipts plus a minimum flat tax of $50.00 and a $75.00 administrative fee. Tax on gross receipts is based on the associated tax class for each $1000.00 over $10,000.00 in annual gross receipts. This tax class (1 through 6) is determined depending on the type of business, profession or occupation as measured by nationwide averages derived from the classification, or other information published by the U. S. Office of Management and Budget in its "Standard Industrial Classification Manual." A regulatory fee is imposed as permitted under O.C.G.A. 48-13-9 on applicable businesses. Practitioners of professions or occupations may elect by January 1st of each year to pay a $400 fee in lieu of paying tax on gross receipts, plus an employee fee and a $75.00 administrative fee. Each person licensed by the State of Georgia pursuant to Title 43 of the Official Code of Georgia Annotated shall provide a copy of his or her current state license.

- A citation may be issued and penalty and interest assessed on any business working in the City without first obtaining a business license or one that has failed to renew the annual registration and is delinquent.

- Once a business location is confirmed and a lease or document of sale is secured, you must apply for a Certificate of Occupancy from the Department of Planning and Community Development located in the City Hall Annex at 1526 E. Forrest Avenue, Suite 100. This process is necessary to ascertain that the location is zoned for your type of business and all code requirements are met. You will need this process completed as a primary requirement to register your business. Should you have further questions, our office number is (404) 270-7212.

- Businesses located in a residence are limited to the activities they may conduct from that location; usually a place to maintain files and records and to receive mail and phone calls. Regulations are detailed in the Zoning Code and Development Regulations Sec. 10-2045.

- To obtain your business license you must complete an application and sign an affidavit in addition to other required documents and return them to the Business License & Occupation Tax Division located in the Department of Planning and Community Development at 1526 E. Forrest Avenue, Suite 100. You may download the application from our website eastpointcity.org. The application requests a detailed explanation of the nature of the business, location, and ownership of the business and must be submitted each year.

INTRODUCTION

Welcome to E-Verify! Using E-Verify is an important step in ensuring that your company has a legal workforce by electronically confirming the information on Form I-9, Employment Eligibility Verification, referred to hereafter as Form I-9. This guide is designed to assist you throughout the E-Verify enrollment and user registration process.

E-Verify is an Internet-based system operated by the U.S. Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA) that allows participating employers to electronically verify the employment eligibility of their newly hired employees and/or employees assigned to a covered federal contract.

E-Verify is a voluntary program for most employers, but mandatory for some, such as employers with federal contracts or subcontracts that contain the Federal Acquisition Regulation (FAR) E-Verify clause and employers in certain states that have legislation that mandates the use of E-Verify for some or all employers.

NOTE: E-Verify cannot provide you with guidance on state or local laws that require your participation in E-Verify. For help, you should contact the appropriate state officials, or you may also be able to receive assistance through a local Chamber of Commerce.

Apart from any state or local law that requires participation in E-Verify, employers are fully responsible for complying with sections 274A (which addresses the requirements of the Form I-9 process) and 274B (which addresses unfair immigration-related employment practices) of the Immigration and Nationality Act. If employers fail to comply with either, then they may be subject to penalties.

Participation in E-Verify requires you to follow program rules, which include a responsibility to treat your employees in a fair and non-discriminatory manner. Your employees also have specific rights associated with your participation in E-Verify.

Company Enrollment

Before you can start using E-Verify, you need to enroll your company. The term 'company' means any U.S. business, corporation, non-profit organization or government agency that is required to complete Form I-9.

Before you enroll, ensure that your company is not already enrolled in E-Verify. It is important that you do not enroll your company multiple times. If you attempt to enroll a company that is already enrolled in E-Verify, your enrollment will be delayed. Contact E-Verify Customer Support at 888-464-4218 for assistance or questions in determining your company’s enrollment status.

Companies may use E-Verify through an access method determined during the enrollment process. The four access methods include: employer, E-Verify employer agent, corporate administrator and Web services. The access methods are explained in the 'Access Method - Overview.'

NOTE: For more information on corporate administrators, refer to 'Appendix A: Corporate Administrator Access.'
