(River Park) comment: Additional Lighting in the Park. Multi use field space for events/ Festivals; Multi use Trails/Biking Trails; Walking trails around park particularly on Milner, so that parents can observe as children play/practice.
5. (No request name provided)  
(Egan Park) comment: Toddler & Older kids' playground; Safer Toddler Swings; Playground Surface (update/ recycle rubber?); Newer Playground equipment (slides w/ rollers), open pavilion (well lit); Cameras.
6. (No request name provided)  
(Egan Park) comment: Community Garden with reclaimed water systems for watering plants and flowers. Solar lights, Bike Racks.
7. Charles Barlow, PRES. (East Washington Neighborhood)  
Comment: All the Renovation For EWN looks great, we cannot wait to see the renovation take place.
8. (No request name provided)  
(General) comment: Walking paths (People love to walk in a sage space, college park and Atlanta both have walking paths. I like the walking paths you showed but they could be Wider); and walking facilities.
9. (No request name provided)  
(General) comment: Thanks for this; It would be great to have a walking/Running oval somewhere in East point or wider paths/ Sidewalks around the parks. (also, it would be nice to have a BOCCE COURT).
