I. CALL TO ORDER:

COMMISSIONER ATKINS: Good evening. I'm Shean Atkins of the East Point Planning and Zoning Commission. At this time, I'll call our May 21st, 2020 meeting to order. Staff, would you please sound Roll Call to establish a quorum.

II. ROLL CALL:

MR. ALSTON: Yes, Commissioner Shean Atkins.

COMMISSIONER ATKINS: Present.

MR. ALSTON: Commissioner Joel Tucker Todd.

MR. TUCKER: Here.

MR. ALSTON: Commissioner Gregory Fann.

COMMISSIONER FANN: (No response.)

MR. ALSTON: Commissioner Patricia Lovett.

COMMISSIONER LOVETT: (No response.)

MR. ALSTON: Commissioner Jarrett Bell.

COMMISSIONER BELL: I'm here.

MR. ALSTON: Commissioner Will Miller.

COMMISSIONER MILLER: Present.

MR. ALSTON: Commissioner LaJenna McKnight.

COMMISSIONER MCKNIGHT: (No response.)

MR. ALSTON: Commissioner Maxwell.

COMMISSIONER MAXWELL: (No response.)

MR. ALSTON: Commissioner Clyde Mitchell.

COMMISSIONER MITCHELL: Present.

MR. ALSTON: Mr. Chair, you have a quorum.
III. MOMENT OF SILENCE:

COMMISSIONER ATKINS: Okay. At this time, I'll entertain a motion to adopt our agenda as presented this evening.

IV. ADOPTION OF AGENDA:

COMMISSIONER MITCHELL: Move that we adopt the agenda as presented this evening.

COMMISSIONER ATKINS: Is there a second?

COMMISSIONER MILLER: Second.

COMMISSIONER ATKINS: It's been moved by Commissioner Mitchell, seconded by Commissioner Miller that we adopt our May 21st, 2020 meeting agenda. All in favor sound aye.

COMMISSIONERS: Aye.

COMMISSIONER ATKINS: All opposed sound nay.

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Hearing none, the ayes have it.

Our agenda is adopted. At this time, Commissioners, I'll entertain a motion to approve our April 16, 2020 meeting minutes.

V. APPROVAL OF THE APRIL 16, 2020 MEETING MINUTES:

Reported By:
Jeanene Harper
(404) 228-8807 Office
COMMISSIONER MILLER: Motion to approve.

COMMISSIONER MITCHELL: Second.

COMMISSIONER ATKINS: It's been moved by Commissioner Miller, seconded by Commissioner Mitchell that we approve our April 16, 2020 meeting minutes. All in favor sound aye.

COMMISSIONERS: Aye.

COMMISSIONER ATKINS: All opposed sound nay.

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Hearing none, the ayes have it.

Our April 16, 2020 meeting minutes are approved. At this time, I'd like to go into our agenda items under Old Business. Our first case is item 2020 "M" as in Mary-001-01. Staff, would you please sound this Agenda Item.

VI. OLD BUSINESS:

MS. SMITH: Yes, Chairman. Item Number 1, Old Business. Case Number 2020M-001-01, applicant is the City of East Point; location is Citywide. This application seeks a Text Amendment to allow for commercial parking lots and parking garages and automobile, truck rental, lease and sales office use within the I-1 Light Industrial Zoning District.

COMMISSIONER ATKINS: Okay. Thank you. Before we get into this Agenda Item, I would like for the record to reflect that when the Roll Call was sounded, that Commissioner Fann was not available to speak. Commissioner Fann, would you please let Staff know that you are absolutely present so that you can be accounted for in our
meeting minutes.

COMMISSIONER FANN: I am absolutely one hundred percent positively present.

MR. ALSTON: Thank you. Proceed.

COMMISSIONER ATKINS: So this Agenda Item, we've held a public hearing for this Agenda Item. Staff is the -- the City of East Point is the applicant so Staff, would you please sound your recommendation.

MS. SMITH: Yes, Chairman. For Case Number 2020M-001-01, the applicant, the City of East Point and this application is Citywide. The application seeks a Text Amendment to allow for commercial parking lots and parking garages and automobile, truck rental, lease and sales office within the I-1 Light Industrial Zoning District. Staff has recommended withdrawal of this Text Amendment.

COMMISSIONER ATKINS: Okay. Commissioners, you've heard from the applicant, which is the City of East Point. The Staff's recommendation or City's recommendation is to withdrawal this Text Amendment. At this time, I'll entertain a motion.

COMMISSIONER FANN: I'll motion to approve for discussion.

COMMISSIONER ATKINS: Okay. Is that to approve the withdrawal, Commissioner Fann?

COMMISSIONER FANN: Yes, it's approve to withdraw with discussion.

COMMISSIONER ATKINS: Correct, I got you. There is a
motion on the floor to accept the withdrawal of this applicant. Is there a second?

MR. TUCKER: Second.

COMMISSIONER ATKINS: Okay. It's been moved by Commissioner Fann, seconded by Commissioner Tucker for discussion. I won't be able to see everyone, so Commissioner Fann, I know that you want to do have discussion. So if you would like to go first, please do.

COMMISSIONER FANN: I appreciate it, Mr. Chairman. I wanted to -- and I know I don't this question, but Staff is that -- and in our Work Session, we talked about this, that the applicant would have the opportunity to request the Text Amendment themselves; am I correct?

MS. SMITH: Yes, Mr. Fann. The applicant will have the opportunity and has had the opportunity to put in a rezoning for their particular project that is impacted by this Text Amendment. This Text Amendment is actually Citywide, and for that, it not only impacts the particular Peachy Parking applicant that was directly impacted by it. But this Text Amendment would impact the entire City. It would actually allow these uses of the commercial parking lots, parking garages and automobile, truck rental and leasing sale offices within I-1.

After Staff did further analysis of the impact over the City on a Citywide basis. It was found that it would not be in compatible or a wanted land-use at this time for the City. There were some further
issues that impacted as well for the City being in a moratorium for any industrial; and we felt that at this time, we would recommend a withdrawal and the applicant who was especially or directly impacted by this Text Amendment would have the opportunity to down zone where these uses would be allow by right, which is C-2; and we have, since then, been in contact with the applicant and they were in discussions with whether they wanted to submit that applicant themselves or if they would allow for the City to do a down zoning on their behalf.

And after the discussions went on, they determined that they would want for the City to move forward under a City rezoning and down zoning for the particular property that is directly impacted by this Text Amendment moving forward.

COMMISSIONER FANN: Okay. Thank you for your clarification.

MS. SMITH: Yes.

COMMISSIONER ATKINS: Are there any other questions or concerns regarding the motion for this applicant, this Agenda Item?

MS. SMITH: Mr. Chairman, we did have some citizens that called in today and emailed in today with concerns about this Text Amendment and how it would impact the City as well as their communities specifically and they did ask to have a moment to speak on this. But since this has gone through the public hearing process, that may or not be possible. But I just did want to state for the record that there was an interested party that was entered in
speaking in reference to this.

COMMISSIONER ATKINS: Okay. So I will say this, Ms. Smith. The public hearing for this Agenda Item has occurred; and so if there is a Commissioner who ask specifically or directly if there were any other information that the Staff had gathered that they would like to present, but otherwise, the public hearing for this Agenda Item has occurred.

MS. SMITH: Yes, sir.

COMMISSIONER ATKINS: Okay. Any other comments, questions or concerns about this applicant and this Agenda Item?

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: The motion on the floor is to approve with withdrawal made by Commissioner Fann, seconded by Commissioner Tucker.

COMMISSIONERS: Okay. That is the motion. All in favor sound aye.

COMMISSIONERS: Aye.

COMMISSIONER ATKINS: All opposed sound nay.

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Hearing none, the ayes have it.

The motion to withdraw passes. Our next Agenda Item is Case Number 2020 "Z" as in zebra-002-02 and 2020 "V" as in Victor, "C" as in Charles-003-02. Staff, would you please sound this Agenda Item.

MS. SMITH: Yes, Chairman. Item Number 2, 2020Z-002-02
slash 2020VC-003-02, James Nolan is the applicant and Alisha Houston is the representative. This property is located at 2776, 2684 and 2688 Martin Street in Ward B. The applicant seeks to rezone properties from R-T, residential townhouse, townhome to R-4, multifamily with a two-part Concurrent Variance for relief from the height guidelines and front and side setbacks regulations within the Cleveland Avenue Overlay District.

COMMISSIONER ATKINS: Okay. This Agenda Item has also had a public hearing and so Staff, at this time, would you please sound your recommendation.

MS. SMITH: Yes, Chairman. For Item Number 2, Case Number 2020Z-002-02 slash 2020VC-003-02, applicant James Nolan and Alisha Houston, Representative. This property is located at 2676, 2684 and 2688 Martin Street in Ward B. The applicant is seeking to rezone the property from R-T to R-4 with a two-part Concurrent Variance for relief from the height guidelines in front and side yard setbacks for regulations within the Cleveland Avenue District and Staff has recommended approval of the rezoning as well as the Concurrent Variances.

COMMISSIONER ATKINS: Okay. Commissioners, you've heard the recommendation from the Staff on this Agenda Item. At this time, I'll entertain a motion.

COMMISSIONER MILLER: Motion to approve.

COMMISSIONER ATKINS: Okay. And that would be a recommendation so, Mr. Miller, your recommendation is to

Reported By:
Jeanene Harper
(404) 228-8807 Office
recommend approval, correct?

    COMMISSIONER MILLER: That's correct.

    COMMISSIONER ATKINS: Okay. Is there a second?

    MR. TUCKER: Second.

    COMMISSIONER ATKINS: It is been moved by Commissioner Miller, seconded by Commissioner Tucker that this Body recommends approval of Case Number 2020 "Z" as in zebra-002-02 and with a Concurrent Variance of 2020 Victor-Charles-003-02. Any comments, questions, or concerns?

    COMMISSIONER FANN: Discussion.

    COMMISSIONER ATKINS: Okay, Commissioner Fann.

    COMMISSIONER FANN: I have a concern in our last meeting. I voiced those concerns in terms of a price point for those particular units and in terms of affordability; and then I'm looking at what the City is doing and looking at overall plans for that area; and I think that we need to look a little bit deeper before we move hastily with this. And I'm just going to ask Staff a question.

    Staff, what is the overall -- I know that you moved for approval of the variance and the height limit. What is the overall plan? I know that council is working on something in terms of this kind of plan; in terms of (inaudible). Can you just elaborate on that a little bit before we vote on this?

    MS. SMITH: Yes, Mr. Fann. The concern with the density of the property with being the 48-units per acre, we had that concern before and we were able to find additional information in the
Cleveland Avenue master plan as well as the Marta Transportation Oriented to Development Guidelines that would support the 48 units per acre. However, we also had concerns about the gentrification components of this property; of whether or not it's inclusionary of the citizens that currently reside in the City that have incomes below the $75,000 that it would take to occupy or purchase one of these units.

The City has actually hired on a company partnership with Souther Equity so they are very serious about inclusion; they are very serious about equitable development and the environment. And so they have hired on this firm to help the City come up with an equitable development plan as well as a policy citywide whether it's dealing with the Public Works Department; whether it's dealing with really every department within the City to counter-act and to basically support the current citizens demographics of the City.

And so in that aspect --

MR. ALSTON: I can go ahead and speak to one.

MS. SMITH: Oh sure.

MR. ALSTON: So we have -- this is Tony Alston, a senior planner with the department. So doing some research on this, we found some alternatives to keep up with equity in making sure the people aren't price pointed. We are looking at condition and recommending suggestions and conditions that would help maybe those with lower income to obtain homeownership. I think the project would be good as far as -- and it would stabilize that area in
making sure we do have more of a stable community with homeownership versus renters. And then asking Mr. Nolan and the developer to come up with some sort of program. And I looked at the Georgia Dream and the Georgia PEN Program which help with down payment assistance for First Responders such as police officers and firefighters; but also coming up with programs with some sort of incentives for lower income citizens who made under $40,000; citizens in East Point who would like to purchase these condominiums; coming up with different incentives that would not push out our exclude our citizens in the City limits.

COMMISSIONER FANN: And I appreciate what you just said, Tony. I've been hear for a number of years and I know that area over there very well. And I know that people living in that area are being forced out of that area because of this gentrification. And I'm very concerned when you talking about a one bedroom house or whatever you want to call it, a condominium or whatever at $2,000 a month, you know.

I'm just being realistic about it and I don't know what the square footage on that is but I'm sure it is not as many square footage as my house and I don't pay that kind of money. But the reality of it is is that I'm concerned about gentrification; I'm concerned about moving people out of East Point that's in East Point, long term citizens in East Point that if they can't afford to stay and others who would love to come and move in East Point can afford to move in East Point.
So far that, I just think -- and the City is doing a study and they're looking at those issues. I don't want us to do like we did in the past where we did spot zoning and all that stuff and then it created real problems, long term for the City, that we're trying to remedy. I don't want to go down that road again. Many of you don't know the history but I do; I lived it. Clyde knows it. We lived it. I don't want to go down the road again. So that's why I am -- and whatever -- how the voting go is how it's going to go, but I'm just telling you Greg Fann's feeling about it. I don't feel good about it; I don't feel comfortable about it. The picture is the picture; it looks good and all things look good and always do. We've gone down that before.

So I think that we need to take -- just slow down just a little bit and let Staff look at a little bit more; to get with the Council; let the Council talk about it and have that plan in terms of what they want to see and what they want to do the terms of affordability and bringing people into East Point. That's my two cents. It's not directed toward Mr. Nolan. It's just me, as a long term resident, I want to keep our City where people who can afford to live here can afford to stay here. And that's where I am. And my vote will be, no.

COMMISSIONER ATKINS: Okay. Thank you, Commissioner Fann. Any other comments, questions or concerns from the Commissioners?

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Okay. Hearing none, I will add
my two cents to this. I was not privy to the discussions in the Work
Session of last meeting. Commissioner Fann and I have know each
other for many years but we will be on opposites end of the
spectrum in this particular situation. The first part is I don't think
that we can apply the price point of a development as a standard
when we are approving or not approving an application before us.
So we cannot use it as a standard.

The other thing is that many of you, if not all of you, are very
aware of my work that I've done and the housing development
industry, the affordable housing industry and all of those things. I
think that it is important for us as a City. If we want to grow and
move forward, we have to have a variety of price points. And so if
the City is saying that we don't want to push our residents out. I
don't think bringing a new development alone pushes a resident out.
I think that there is a policy or policies that can be enacted as it
relates to property taxes and there are ways to do that in a way that
makes it more equitable for people to remain in their values are
increasing.

But if we would like to have amenities and all of those things
in our City, that we've talked about for such a very long time, those
things will not come; those things are not coming if we don't have
rooftops and if we don't have disposable incomes. I think that the
best way for a City to grow is to have multiple or more various levels
of incomes of persons in various housing types to address those
various levels of income. But I don't think that we stay or remain a
City of residential development that is only affordable because when you do that, we're not expanding the tax base; we're not expanding increasing our tax (inaudible) and we're not attracting businesses. Businesses think about a bottom line and they want to locate at a place where there are residents or persons that are going to be able to patronize their business and have a disposable income.

I am in favor of affordable housing. I've always been. I think that there's a time and a place for all of those things, and there's a way for us to do that in such a way that we can integrate and have all types of developments. I don't think that we have to be monolithic in the type of development that we have. And so I don't think it's about us pushing residents out or not inviting other residents. I think it's a way of making our City very inclusive and also creating a that will attract amenities for all to enjoy. So that would be my two cents on that.

COMMISSIONER FANN: And can I say something, Mr. Chairman?

COMMISSIONER ATKINS: Yes, Commissioner Fann.

COMMISSIONER FANN: Of course, if we can agree to disagree, and we have before -- I have probably been here longer than any of you guys, even before you got here; but the reality of it is if we can agree to disagree on this one issue -- but I just said, I've been out voted before; but my position is going to be very clear to everybody that's here. I'm going to always fight for the residents of this City no matter who they are no matter the color of their skin, the
content of their character; I don't care. It's about fair and equity for all people. We may not have the authority to do it and you may be correct in that regard, but the reality is I'm going to voice my opinion whenever I have the opportunity to voice my opinion; and you know it and everybody in here know that, if you know Greg Fann. You know I'm going to do that, right Linda; you know that, right. So I'm done with it. Ya'll go ahead and vote.

COMMISSIONER ATKINS: Yes. And we appreciate your perspective and we must have your voice and your vote. And that vote belongs to you. So if you want to vote it down, that's what we would want to happen because you have the vote your conscious. Okay.

COMMISSIONER FANN: Absolutely.

COMMISSIONER ATKINS: So absolutely, we can either agree or agree to disagree but we'll do it in a very civil way and we also want to here everybody's voice and their positions on the matters. Okay. So thank you for that, Commissioner Fann. Are there any other comments, questions or concerns?

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Hearing none, the motion on the floor is to recommend approval. The motion was made by Commissioner Miller, seconded by Commissioner Tucker to recommend approval for Agenda Item 2020 "Z" as in zebra-002-02 with Concurrent Variance 2020 Victor-Charles-003-02. All in favor sound aye.
COMMISSIONERS: Aye.

COMMISSIONER ATKINS: All opposed sound nay.

COMMISSIONER FANN: Nay.

COMMISSIONER ATKINS: Okay. Hear one nay, the ayes have it. Just for clarity, we can do a Roll Call vote. So Staff, would you please sound Roll.

MR. ALSTON: All right. Commissioner Todd.

MR. TUCKER: Aye.

MR. ALSTON: Commissioner Fann.

COMMISSIONER FANN: Nay.

MR. ALSTON: Commissioner Lovett.

COMMISSIONER LOVETT: (No response.)

MR. ALSTON: Commissioner Bell.

COMMISSIONER BELL: Aye.

MR. ALSTON: Commissioner Miller.

COMMISSIONER MILLER: Aye.

MR. ALSTON: Commissioner McKnight.

COMMISSIONER MCKNIGHT: (No response.)

MR. ALSTON: Commissioner Maxwell.

COMMISSIONER MAXWELL: (No response.)

MR. ALSTON: Commissioner Mitchell.

COMMISSIONER MITCHELL: Aye.

MR. ALSTON: The ayes have it, sir.

COMMISSIONER ATKINS: Okay. The ayes have it. The motion carry. Our next Agenda Item are announcements. Staff, do

Reported By:
Jeanene Harper
(404) 228-8807 Office
you have any announcements for the good of the people?

VII. ANNOUNCEMENTS:

STAFF: Yes. The City of East Point was part of a grant application with the Atlanta Regional Commission and we were one of ten communities that were granted a grant. And what they’re going to be doing and helping us do is come up with a plan to create the Williamsburg Community and the Flint River, the head waters of the Flint River and they're going to be creating a place-making outdoor beautifully landscaped plan for that area to start off, the beginning of the Flint River. And it's going to go all the way down through to Clayton County, the City of Hapeville as well as the City of College Park were included in this grant.

But because that hedge water is located in the City of East Point, we will have the majority of it and it's going to be a great plan, hopefully that we could implement.

COMMISSIONER ATKINS: Okay.

COMMISSIONER MITCHELL: Question, I do have a question. Now, when we say we're going to start in Williamsburg, now that it coming in between -- and correct me if I'm wrong -- it's in between Williamsburg and Windsor Forrest. So will Windsor Forrest be included in the plan?

MS. SMITH: To my knowledge, yes. Because there were several components and several communities that were included. But it's mostly focusing on the Flint River and doing river restoration for that area, creating a place to where it would be a beautiful place
to walk. They're wanting to tie it in to our path that we already very, our Path plan that we already have in place. And so they're really tying in infrastructures but that's for infrastructures that are there and creating a plan to make them better to where -- it's really going to be a beautiful place for citizens to walk.

COMMISSIONER MITCHELL: Okay. When will we have an idea of what all communities or neighborhoods that are involved in that or where it will run through?

MS. SMITH: I can send you a copy of the plan.

COMMISSIONER MITCHELL: Okay. That will be good, Kim. I appreciate that. All right.

COMMISSIONER ATKINS: Okay. Thank you. Kim, if you would send it to the entire Commission, that would be great. Okay. Any other comments, questions -- any other announcements?

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Okay.

COMMISSIONER FANN: Commissioner, the other thing that I have is I got one announcement, Shean, and you know I one. Didn't forget to fill out the Census and don't forget to go vote. Okay. That's my announcement.

COMMISSIONER ATKINS: Those are very good. Thank you, Commissioner Fann. Citizens, please don't forget your Census and please don't forget to vote. Okay. At this time, I'll entertain a motion to adjourn.

VIII. ADJOURNMENT:
COMMISSIONER LOVETT: Motion to adjourn.

COMMISSIONER ATKINS: Is there a second?

COMMISSIONER FANN: Second.

COMMISSIONER ATKINS: It's been moved by Commissioner Lovett, seconded by Commissioner Fann that this Body adjourns. All in favor sound aye.

COMMISSIONERS: Aye.

COMMISSIONER ATKINS: All opposed sound nay.

COMMISSIONERS: (No response.)

COMMISSIONER ATKINS: Hearing none, the ayes have it.

This meeting is adjourned. Thank you so much.

(Whereupon this concluded the virtual ZOOM meeting for the City of East Point Planning and Community Development Commissioners for May 21, 2020.)
