

PRESS RELEASE ANNOUNCING A PROPOSED PROPERTY TAX INCREASE

The City of East Point today announces its intention to increase the 2021 property taxes it will levy this year by 10.34 percent over the rollback millage rate.

Each year, the board of tax assessors is required to review the assessed value for property tax purposes of taxable property in the county. When the trend of prices on properties that have recently sold in the county indicate there has been an increase in the fair market value of any specific property, the board of tax assessors is required by law to re-determine the value of such property and adjust the assessment. This is called a reassessment.

When the total digest of taxable property is prepared, Georgia law requires a rollback millage rate which must be computed that will produce the same total revenue on the current year's digest that last year's millage rate would have produced had no reassessments occurred.

The budget tentatively adopted by the City of East Point requires a millage rate higher than the rollback millage rate; therefore, before the City of East Point may finalize the tentative budget and set a final millage rate, Georgia law requires three public hearings to be held to allow the public an opportunity to express their opinions on the increase.

All concerned citizens are invited to the public hearings ("Virtual Meetings" streamed online) on this tax increase. These meetings will be held August 16, 2021 @ 6:30pm, September 7, 2021 @ 6:30pm and September 20, 2021.
